PRODUCT CAUTIONS:

Always wear gloves and eye protection when handling this or any cleaning product. Store with lids closed, in room temperature and out of direct sunlight. Keep out of the reach of children.

Use within 1 year of purchase!

ADVANTAGES:

Strong cherry fragrance attracts fruit flies and other bugs for effective pest control.

Enzymes naturally break down the protein layer!

Pour in liquid traps or use in sprayers!

Readily biodegradable!

Contains no pesticides!

DILUTION RATIO'S:

Pest Control:

Add 1 part Fly Bye to 1 part water (50% solution) pour a small amount into a trap or open bowl and place in a safe area where the pests are abundant. Create the same 50% solution strength and pour into a trigger spray bottle or pump up sprayer and treat trash cans and other surfaces where pests are found to be an issue. Remove any unpackaged food or drink items from the area to be treated before spraying this solution.

Drain Maintenance:

Add 32 oz of Fly Bye to 4-5 gallons of warm water and pour into open drains 1-2 times per week.

Frequency is important for pest and odor control!
