ENZYME SOLUTION FOR GREASE TRAPS & DRAINS

## **DESCRIPTION:**

Specialized cleaning product uses a broad spectrum blend of enzymes that produce on contact consumption of proteins, sugars and fatty acids to keeping grease traps and drains free flowing and odor free!

## **CONTAINER AVAILABILITY:**

4x1 Gallon Case, 5-Gallon Pail

## **PHYSICAL PROPERTIES:**

Physical Form	Aqueous
Color	Amber
Odor	Vinegar
Density (lb/gal)	8.3-8.4
Biodegradable	Yes
pH of concentrate	3-4

## **PRODUCT CAUTIONS:**

Always wear gloves and eye protection when handling this or any cleaning product. Store with lids closed, in room temperature and out of direct sunlight. Rinse all surfaces after use. Keep out of the reach of children.

Use within 1 year of purchase!

## **ADVANTAGES:**

"Purified" enzymes act instantly consuming organic soils on contact unlike "bacteria" based products that can take hours to act.

Cleans, deodorizes and maintains all in one step.

Complete molecular level down of complex sugars, fatty acids and proteins means that grease and oils will not reform downstream.

Maximizes trap capacity!

Excellent drain maintenance product!

## **DILUTION RATIO'S:**

### Grease Trap:

Feed 8 ounces for every 500 gallons of trap capacity daily!

\*Full scale cleaning of the trap is recommended before starting this program.

If feeding trap manually add the GTC to some warm water before adding to the trap. GTC should be feed automatically even when trap is not in use for maximum efficiency!

### Drain:

Add 1-2 oz per quart of warm water. Add 1 once per day for 3-5 straight days, then 1 time per week after that for maintenance.
