4x1 Case of Gallons

PHYSICAL PROPERTIES:

Physical Form	Aqueous
Color	Yellow
Odor	Lemon
Solubility in Water	Soluble
pH	<9
Biodegradable	Yes
Phosphates	None

PRODUCT CAUTIONS:

Eye Irritant. Contains: Surfactants & Fragrance! This product does not contain enzymes or phosphates. Undiluted product is irritating to skin and will cause dryness or rash. Do not get into eyes or take internally. Keep out of the reach of children. Refer to the MSDS for further safety information.

ADVANTAGES:

Thickened product minimizes waste!

Ultra concentrated so just a small squirt into the sink is all you need for effective cleaning!

Special agent helps keep skin stay soft.

Lemon scented is pleasing to all!

Breaks down stuck on food particles and grease quickly for easy cleaning!

Readily biodegradable!

DILUTION RATIOS:

Squirt a small amount (~1 oz. / 2-gallons water) into the sink or wash station and fill with hottest water possible for safe hand washing (do not use scalding hot water). Allow dishes to soak, scrub and then rinse! If using a proportioning unit consult your representative for dilution ratios.

*Do not use in automatic dishwashers!
