

# BY\*PAS NODOR

READY TO USE DEODORIZING SPRAY

## **DESCRIPTION:**

NOdor is a "ready to use" advanced odor eliminating spray that targets odor molecules and destroys them permanently. Can be applied to any porous surface or upholstery without worry.

## **CONTAINER SIZES:**

1-gallon jug, 5-gallon pail

## **PHYSICAL PROPERTIES:**

Physical Form	Aqueous
Color	Water white
Odor	Pleasant Soap like
Solubility in Water	Soluble
pH	~8
Biodegradable	Yes
VOC Content	0%

## **PRODUCT CAUTIONS:**

Eye Irritant. Contains: Surfactants & Proprietary Agents! Keep lids sealed when not in use and out of the reach of children. Refer to the MSDS for further safety information. Wash hands after use!

## **ADVANTAGES:**

Eliminates odors on contact and does not mask nor cover up the odor with heavy fragrances.

Smoke, body odor, food/beverage and other common odor problems are no match for this technology.

Stays active in the presence of moisture for longer lasting odor control.

Scent free proves it is not a cover up and allows the customer to enter the vehicle as soon as it treated.

## **APPLICATION:**

Thoroughly clean the surfaces by completely remove the odor source and its residue then apply the Nodor solution as is to the surface in a fine mist. Saturate the area well then allow to dry, repeat as necessary
