

PIT POTION

ENZYMATIC REMEDIATING & WATER CLARIFIER

DESCRIPTION:

Super concentrated liquid contains thousands of purified enzyme strains accelerates the remediation process digesting organic matter reducing odors and breaks down solids ensures a better working reclaiming or holding process. Excellent for use in car washes, food processing plants, city municipalities, farm waste lagoons and more!

CONTAINER SIZES:

5-gallon pail, 55-gal Drum

PHYSICAL PROPERTIES:

Physical Form	Aqueous
Color	Amber
Odor	Slight Vinegar
Density (lb/gal)	8.4
Biodegradable	Yes
pH of concentrate	3-4

PRODUCT CAUTIONS:

Contains: water, surfactant and enzymes. Always wear gloves and eye protection when handling this or any cleaning product. Store with lids closed, in room temperature and out of direct sunlight. Best if used within 1 year of purchase.

ADVANTAGES:

Special "enzyme" technology works in extreme pH ranges whereas bacteria born spores are normally ineffective!

Instantly starts cleaving hydrocarbons, fatty acids, sugar and proteins.

Clarifies and deodorizes reclaimed water or waste streams!

Easy to use and is super concentrated.

Surfactants used are biodegradable and phenol free!

DILUTION RATIOS:

Inject 1-2 oz for every 1,000 gallons of water/waste daily. Increase daily dosage by 20% if there is fresh water drag out.
