PHYSICAL PROPERTIES:

| | |
|---------------------|-------------|
| Physical Form | Aqueous |
| Color | Water White |
| Odor | Grape |
| Solubility in Water | Insoluble |
| Foam Profile | None |
| Biodegradable | Yes |
| Hazards | None known |

PRODUCT CAUTIONS:

Contains: Light oils & Additives. Eye irritant. Wear eye protection when handling. Wash off skin with soapy water. Do not breathe strong product vapors. Keep lids sealed when not in use and refer to the MSDS for further safety information. Use proper hygiene when handling. Do not add water to this solution.

ADVANTAGES:

- 100% virgin oil is clean and colorless! Grape scent!
- Adheres to the form and will not absorb into the cement allowing for a clean release!
- Will not freeze or gel in cold temperatures.
- Thin liquid applies evenly and is easy on spraying equipment.
- Contains NO petroleum distillates or fuel!
- Non-flammable!

APPLICATIONS:

Cement form release

DIRECTIONS:

Apply EZ Release in its neat form to a clean "form" by spraying or rolling onto the form prior to pouring the cement.
